SUBJECT: CalJOBS<sup>SM</sup> SYSTEM ENHANCEMENTS

The purpose of this information bulletin is to inform the Workforce Community of two scheduled enhancements to the Employment Development Department's labor exchange system, CalJOBS<sup>SM</sup>, Spell Check, and Wage Range. These changes will be implemented with the upcoming system release scheduled for February 3, 2007.

- The Spell Check enhancement will check the spelling of "open text" portions of the employer job listing and job seeker resumes, and provide the user, as necessary, with a choice of corrected spellings.
- The Wage Range enhancement will enable employers, Workforce Services Branch field division staff, and One-Stop partners to enter a specific amount on a pay range. In addition, job seekers will now be able to view the entered wage range on job listings.

If you have any questions regarding these enhancements, please contact the CalJOBS<sup>SM</sup> customer support desk at 1-800-758-0398.
